## Getting Started

## Tool Kit

DMC Mouliné Special embroidery thread 117MC
Cross stitch fabric／aida
Cross stitch needle
Embroidery hoop（optional）
Scissors

Design size $23,5 \times 18,5 \mathrm{~cm} / 9,25 \times 7$＂
The size of your design depends on the cross stitch fabric you choose．The higher the fabric＇s＂count＂（ie number of cross stitches per inch），the smaller the stitches and therefore your design．We recommend beginners start with 14 count aida （the most common cross stitch fabric），which is what we have based our design size on．
