## STEP BY STEP

### SUPPLIES

Fabric scraps, Odicoat, Scissors.

**1** Cut 3 pieces of fabric - 8cm square. Coat the 3 pieces of fabric with Odicoat. Allow to dry. Protecting the coated side of the fabric with parchment paper, iron the fabric.

**2** Fold one of the squares on the diagonal (wrong sides together).

**3** Layer : A fabric square (1), right side facing up ; The folded square (2). The last fabric square (3), right side facing down.

**4** Pin all 3 layers. Sew all

around at 1cm from the edge leaving a 3cm opening so as to turn the bookmark inside out. Notch the corners.

**5** Turn inside out and push corners out to shape. Close the opening with an invisible stitch or topstitch all around.
